

LUXBEAT

LUXBEAT UNDERWATER 1000

LINEAR LIGHT

LAST UPDATE: 22-05-2025

LuxBeat and LuxBeat XL are a range of miniature sized linear accent luminaires with flexible and fixed application. The patented optical system emits homogenous light regardless of the viewing direction. LuxBeat is the designer's choice for unconstrained creative light installations. High contrasting illumination of building elements is easily possible with the tiny luminaire dimensions and state of the art LED performance. The luminaire is top bendable and can be shortened on-site. The use of optional stainless steel mounting clips eliminates the time-consuming pretreatment of the installation surface. LuxBeat XL offers a robust aluminum housing that contains a wiring channel for the electrical connection. Bottom mounted in and out connector's assure shadow free easy installation. LuxBeat XL is available as fixed and tiltable surface mount luminaire, recessed wall and ceiling light, pendant light and inground uplighter. Shorter luminaire lengths are available upon request. LuxBeat XL RGBW requires the use of a 4 channel CV RGBW controller, contact the Unilamp sales team for details.

Technical Data

Ordering Code :	8115-0-2-269-00
Lamp :	LED
Beam :	120°
CCT :	3000 K
CRI :	CRI >80
SDCM :	SDCM = 3
Luminaire Lumen :	780 lm
Luminaire Wattage :	14 W
Efficacy :	55 lm/W
Ambient Temperature :	45°C
Lumen Maintenance	L70B10 >36,000 h
Controller :	Remote
Input Voltage :	24Vdc
Net Weight :	- kg.

Specification

IEC Standard	IEC 60598-1 General Requirement IEC 60598-2-18 Luminaires for Swimming Pools
Protection	IP68 Class III
Luminaires Body Housing	Co-extruded silicone housing with enhanced chlorine resistance for aquatic environments. Interlocking stainless steel spring system for easy, tool-free installation.
Cable Entry	M12 IP68-rated electrical loop ensuring waterproof and dustproof performance.
Led	High-performance LED module with premium chips, assembled on FPC for flexibility. Custom CCT options available upon request.
Driver	Driver not included, must be purchased separately.
Pre-Wire Cable	Pre-wired cable 2x0.75sqmm, L=4,000mm
Caution	Installation, maintenance, and repairs should only be performed by a certified electrician. The maximum continuous installation length per driver is 5 meters. Custom lengths can be prepared upon request by the factory.
