NARA 200 Area light

NARA 120 Area light
NARA 150 Area light

NARA 60 Area light

*Pole is not included
and has to be ordered separately.

From slow speed secondary roads to multi lane highways **NARA** is the perfect solution for all road lighting requirements. T2 and T3 CAD optimized optics are available as a standard product option. On request a NEMA or Zhaga connector can be added across the range. A 0.8m long pre-wired cable and pressure equalizing element are standard.

The cleverly designed pole adapter allows horizontal or vertical pole entry and includes an easy-to-read graduated scale. The housing is cast from a highly corrosion resistant aluminum alloy. The operating temperature of 50°C allows reliable use in challenging environmental conditions.

*Pole is not included and has to be ordered separately.

Specification

- Designed, Manufactured and Tested according to IEC 60598.
- LM6 Die Cast Aluminium and Extruded Aluminium housing.
- Stainless steel screws.
- Luminaire top coated with UV stabilized polyester powder and cured.
- Double layer coating.
- Safety glass cover.
- Molded Lens from renowned manufacturer.
- Post-cured silicone gasket.
- High quality LED module and driver.
- Pre-wired cable from the factory.
- Installation must be carried out according to the enclosed product manual.

Available Color

Aluminium Silver (replace the last 2 digits of ordering code with A4)

*Pole is not included and has to be ordered separately.
